# Intensive Start Up Support

Setting up in business can be a real challenge...

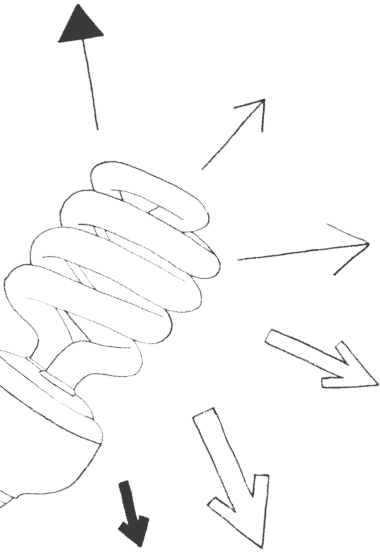

We can offer practical, hands on support.

If you are trying to set up your own business our experienced Business Advisers are able to give you the benefit of their knowledge to help you deal with all the issues that arise when starting up in business.

We work alongside you to help you overcome the obstacles you may face throughout your start up phase.

The support provided is completely free and covers every area of business, including:

- VAT or PAYE registration
- Business planning
- Cash flow forecasts
- Help finding premises
- Training
- Legal issues
- Employment services
- Marketing advice and practical help
- Introduction to experienced mentors
- Access to finance and funding
- Company registration
